

Proudly Serving Round Rock TX Businesses With Exceptional Coffee Experiences

We are excited to offer our services to local businesses in Round Rock through a range of B2B solutions. Designed to impress your clients and motivate your staff with our outstanding coffee services. Coffee Enlightenment offers creative and memorable options catered to your business needs.

- 1.Venue Available — 2.Coffee Catering —3.Coffee Experiences**
4.Personalized Coffee Bags — 5.Wholesale Roasted beans

Venue Available for Business Gatherings

Impress your clients and energize your team in our sleek, modern venue. Coffee Enlightenment is the perfect setting for client meetings, team appreciation events, creative brainstorms or strategy sessions, and intimate networking mixers or vendor pop-ups

Enhance the experience with our signature coffee tasting flights, hand-poured siphons, nitro cold brew on tap, and a curated selection of artisan pastries—creating a welcoming and refined atmosphere for any occasion.

Coffee Catering

Let us bring the Coffee Enlightenment experience directly to your workplace or event. Our full-service coffee catering includes: - A stylish mobile espresso cart operated by skilled baristas - Tailored drink menus with options like pour-overs, cold brew, and seasonal specialties - Sophisticated presentation that reinforces your brand's professionalism

Ideal for energizing morning meetings, celebrating milestones, hosting open houses, or impressing guests at client-focused events.

Immersive Coffee Experiences

Engage your team or clients with Awakening Your Senses—our signature, hands-on coffee experience designed to inspire, connect, and delight. Perfect for team-building, client appreciation, or a refreshing change of pace.

Available at our café or brought to your location, the session is designed to:

- Elevate your appreciation for coffee by helping you recognize the differences between specialty brews and everyday blends.
- Through guided tastings and sensory exploration, you'll develop a deeper understanding of coffee flavors, aromas, and quality

"The coffee tasting experience was phenomenal—our team left energized, connected, and more appreciative of coffee than ever before."
— Local Business Partner

Wholesale Roasted Coffee

Upgrade your coffee offering with our small-batch, fresh-roasted beans—perfect for office brewing stations, retail resale, and supplying local cafés, restaurants, or coworking spaces.

We roast in small batches for peak flavor and freshness, with delivery available across the Round Rock area.

Personalized Coffee Bags

Leave a thoughtful impression with a gift that's both personal and practical. Our custom coffee bags are designed to reflect your brand and your appreciation. Each Coffee Bag includes a selection of premium specialty coffee, single origin or blends. As well as branded packaging tailored to your visual identity with your company logo and personalized message.

It's a gift that resonates, connecting your brand and name to meaningful moments at home, shared with loved ones, savored with each cup, a meaningful connection that persist long after the coffee is gone

Let's Collaborate!

Coffee Enlightenment is ready to support your business with memorable, meaningful, and high-quality coffee experiences.
